Witness to Murder of  
Taxi Driver Not Sure  
as to Arrested Men.

## NO CHARGES FILED

Evidence Against Four Men  
Held Not Sufficient Says  
County Attorney.

No information charging the murder of Walter Case, taxi driver, killed west of this city on May 2, has been filed by the county attorney against J. A. Wilson, C. A. Prescott, Herbert Gibbons and G. Gibbons, the four men arrested in this city Tuesday by the police, since neither A. E. Montgomery nor E. E. Thum, assistant county attorneys, have been able to find positive evidence that they are the men wanted in connection with the shooting.

J. A. Prescott, operating a cold drink stand near the scene of the attempted robbery and fatal shooting, stated yesterday he believed the men under arrest to be those whom he saw attack Case, but he admitted that the night was dark and that he was not close enough at the time of the shooting to positively identify any of the men in the affair.

Is Held on Bad Check Charge  
H. W. Dowell, accused of passing a forged check for \$4 on a local bank April 29, waived preliminary hearing yesterday before Justice S. C. Maxey and was held for trial to district court under bond of \$1,000. R. T. Bridgewater of this city claims that the check signed with his name and passed by Dowell, is a forgery.

## Last Half of State Tax Is Due Before June 15

Less than one month remains for the payment of the last half of the 1919 state taxes, the penalty of 1 1/2 per cent a month being placed against all unpaid taxes of 1919 after June 15. Yesterday W. W. Stuckey, county treasurer, stated that tax payers should make their payments for the last half within the next two weeks and avoid waiting in line for several hours before obtaining service at the treasurer's office, as usually occurs when tax-paying is delayed until a few days before taxes become delinquent. Stuckey also said that tax payers should ask for their personal assessment tax at the time the state taxes are paid, and in this way have a record of the amount due in personal assessments.

## FILE ROBBERY CHARGE

Negro Alleged to Have Beaten Youth  
and Taken His Money Enters  
Plea of Not Guilty.

Alleging Clarence Moore, a negro, assaulted and robbed the complainant of \$15 in a rooming house early yesterday morning, an information was filed in the court of Justice H. J. Gray yesterday by Al Davis, a youth employed at the Tulsa drug store, and Moore, entering a plea of not guilty at his arraignment was committed to jail under bond of \$1,000 for preliminary hearing June 1.

Davis claims Moore invited him to the rooming house under the pretext of trading watches, and that when the two were alone in a room the negro struck Davis over the head with a water pitcher, and then after further beating the youth took \$15 from his pocket and ran.

Preliminary Set for June 1  
Len Brookshire and Everett Paul, arrested at Caneys Kan. and returned to this city for trial on the charge of receiving a stolen automobile, entered pleas of not guilty at their arraignment before Justice H. J. Gray yesterday. Brookshire was released on bond of \$2,000 and Paul committed under a similar bond, for preliminary hearing June 1.

## SAY WOMAN GAVE PRISONERS SAWS

Goldie Reynolds Arrested  
for Assisting Men in  
County Jail Escape.

Goldie Reynolds, accused of taking several saws into the county jail a few days before the jail delivery, February 13, in which 11 men escaped, entered a plea of not guilty at her arraignment yesterday before Justice H. J. Gray, and was committed to jail under bond of \$1,000 for preliminary hearing June 1.

The information filed yesterday charges the woman, now the wife of Tony Hall, one of the men who escaped while awaiting trial on the charge of automobile larceny, with passing the saws to Hall, who later distributed them to other prisoners and by this means effected the escape. Hall was captured several weeks after the delivery and the defendant married him in the county jail.

## TWO HELD FOR PIPE THEFT

Men Plead Not Guilty of Larceny of  
Property From Oil Lease.

Sam Kantor made bond of \$5,000 and Bert Castleman was committed to jail under bond of \$1,000 yesterday for preliminary hearing June 1 before Justice H. J. Gray on the charge of stealing 71 joints of pipe, valued

at \$2,500 from the Terrell company of this city on May 2. The pipe was taken from a lease operated by the company.

Yesterday a suit was filed in district court by the Terrell company in which the return of the pipe was sought by a replevin action against the Prison railroad, the officers of the former claiming the railroad unlawfully withheld possession of the property. It is claimed Kantor intended to haul the property from the lease to the railroad and load it on a car for shipment.
